

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 5, 1996

SUBJECT: **HB 3153**

This bill, if enacted, will allow any county legislative body to adopt a resolution by 2/3 vote to establish a three day waiting period for the issuance of marriage licenses by the county clerk.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be minimal to the extent that any revenues lost from fewer licenses sold would shift from counties that establish such a waiting period to those counties that do not establish a waiting period. This impact assumes that some counties issue large numbers of marriage licenses to non-resident couples who would not be willing to wait the three days and would get their license in another county.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
